

PA30118 & PA30119

Outer Air Element & Safety Air Element

Specialized jobs, like curb molding with the SP15 and SP15i 3-track paver from Wirtgen, can see some harsh and dusty conditions. Dirt and other contaminants are kept out of the airstream and away from vital engine parts of the combustion chamber of the 123 hp Deutz 4-cylinder diesel engine when using the new Baldwin PA30118 and PA30119 air filters.
